*“As a rural high school, the Niswonger online courses have not only strengthened our course offerings but opened doors for our students. Courses that we cannot possibly offer in our brick and mortar building are now available.”*

The Niswonger Foundation is a nonprofit foundation that has been operating in East Tennessee for 16 years. The Foundation's goal is to help prepare students in Tennessee's rural school systems for the increasingly rigorous education necessary to compete for 21<sup>st</sup> century jobs. In 2010, the Foundation was awarded a Federal (i3) Grant and with this the Niswonger Online program was created to help 'level the playing field' for our rural school systems.

NiswongerCARE Online offers over 40 online, NCAA approved, high school courses in all subject areas, including Advanced Placement and CTE. Our project based, highly engaging courses are taught by Tennessee state licensed teachers and aligned to meet all State of Tennessee standards.
